Re: Chapter 9 Case No. 09-17121 (MG)

To Whom It May Concern:

New York City Off-Track Betting Corporation is the Debtor in the referenced case, and Northfield Park Associates LLC is a creditor. We have previously filed a Proof of Claim with the court for pre-petition debt in the amount of \$80,708.92.

Subsequent to the Debtor's bankruptcy filing, we had agreed to continue to provide services to the Debtor for the benefit of their estate. We had agreed upon a "net 15 days" payment schedule with the Debtor for post-petition debt, which the Debtor had been abiding by until recently. We are of the belief that the post-petition debt will be given priority in the Chapter 9 case. We are owed \$76,560.92 for post-petition debt, which is detailed on the attached schedule.

Payment for the debt from November 1 through November 15, 2010 was due on November 30, 2010. Payment for the debt from November 16 through November 30 is due on December 15. We have been unable to get a response from the Debtor by telephone or email, regarding the payment that we should have received on December 1.

Accordingly, we have contacted the Bankruptcy Court in hopes that the \$76,560.92 in post-petition debt will be paid to us in the near future. Please advise the writer if there is any further action we can and should take in order to settle this post-petition debt.

Sincerely,

James D. Scott
Controller
